

Login Setup:

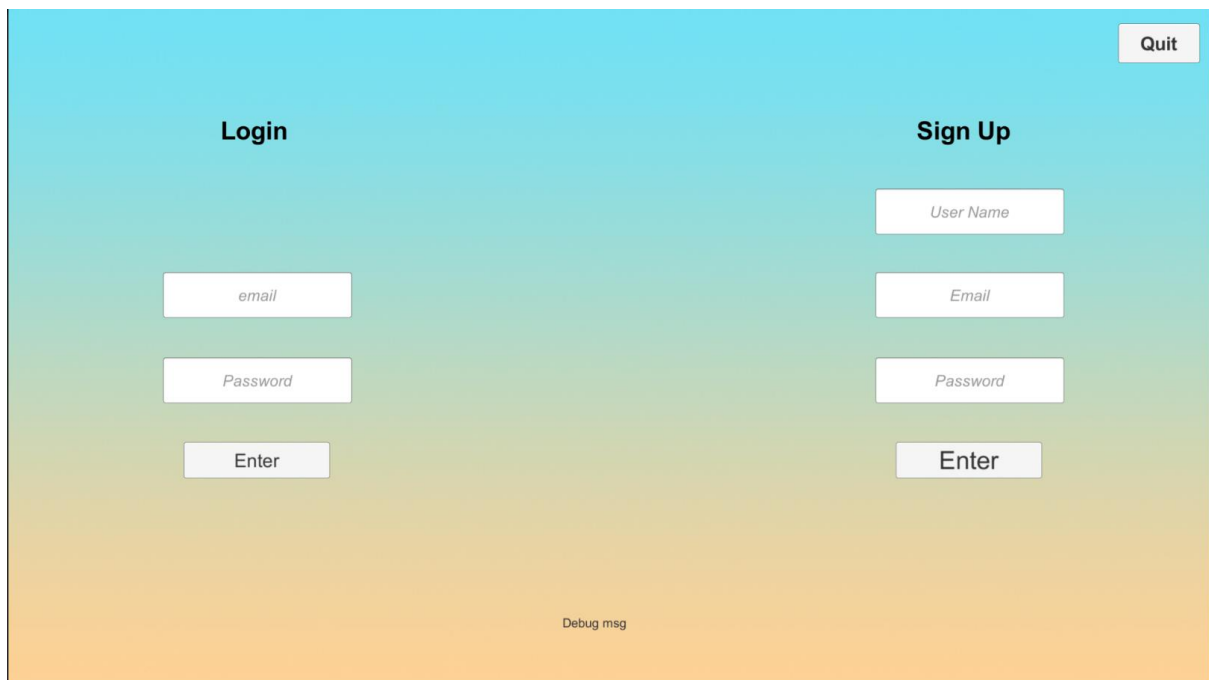

Quick login:

```
/*username = "vimalkumar.nitw@gmail.com";  
email = "vimalkumar.nitw@gmail.com";  
password = "Vimalkumar123!;*/  
  
/*username = "vimal.tamil001@gmail.com";  
email = " vimal.tamil001@gmail.com ";  
password = "Vimalkumar123!;*/
```

A screenshot of a web application's login page. The page has a light blue header with a 'Quit' button in the top right corner. The main content area has a light green background. The title 'Login' is centered at the top. Below it, there are three input fields: 'email', 'Password', and an 'Enter' button. To the right of these fields is a button labeled 'New User ?'. At the bottom center, there is a small text label 'Debug msg'.

Sign up for new Users:

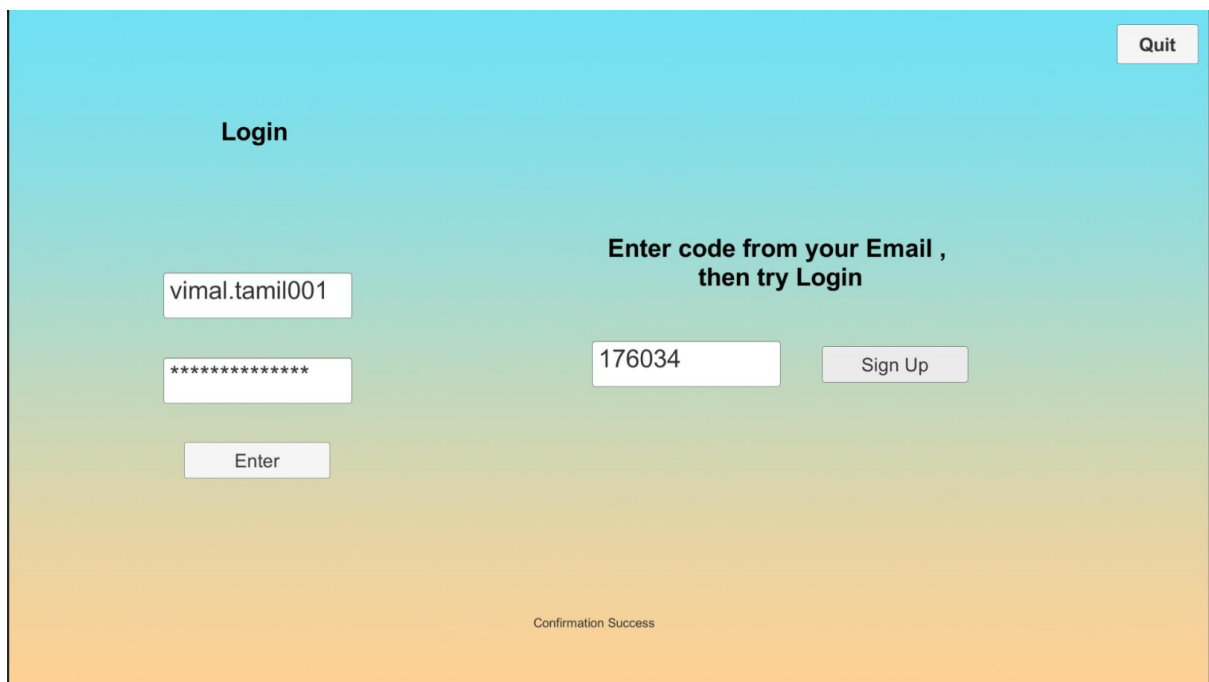

A screenshot of a web application's sign-up page. The page has a light blue header with a 'Quit' button in the top right corner. The main content area has a light green background. The title 'Sign Up' is centered at the top. Below it, there are four input fields: 'User Name', 'Email', 'Password', and an 'Enter' button. To the left of these fields is a button labeled 'Login'. At the bottom center, there is a small text label 'Debug msg'.

Confirmation Code:

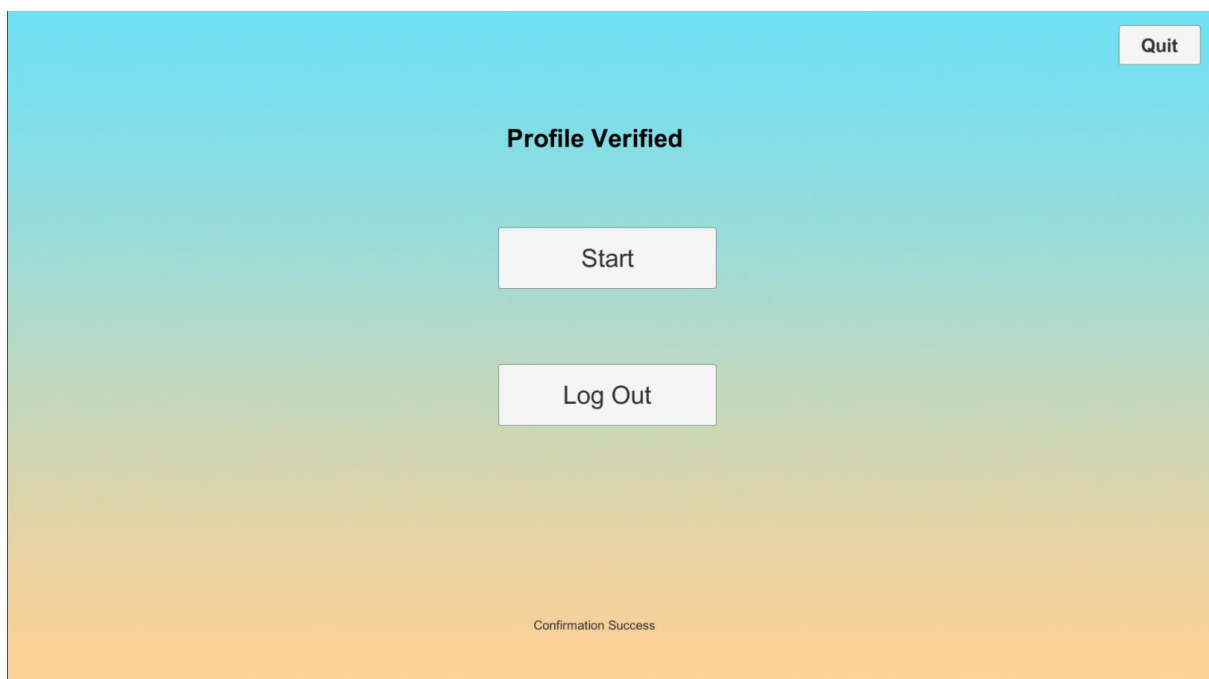

I couldn't verify confirmation code for few cases. Try Enter your username same as email ID(while signup) like below if such error occurs even after entering correct confirmation code.

```
/*username = "vimal.tamil001@gmail.com";  
email = " vimal.tamil001@gmail.com ";  
password = "Vimalkumar123!;*/
```

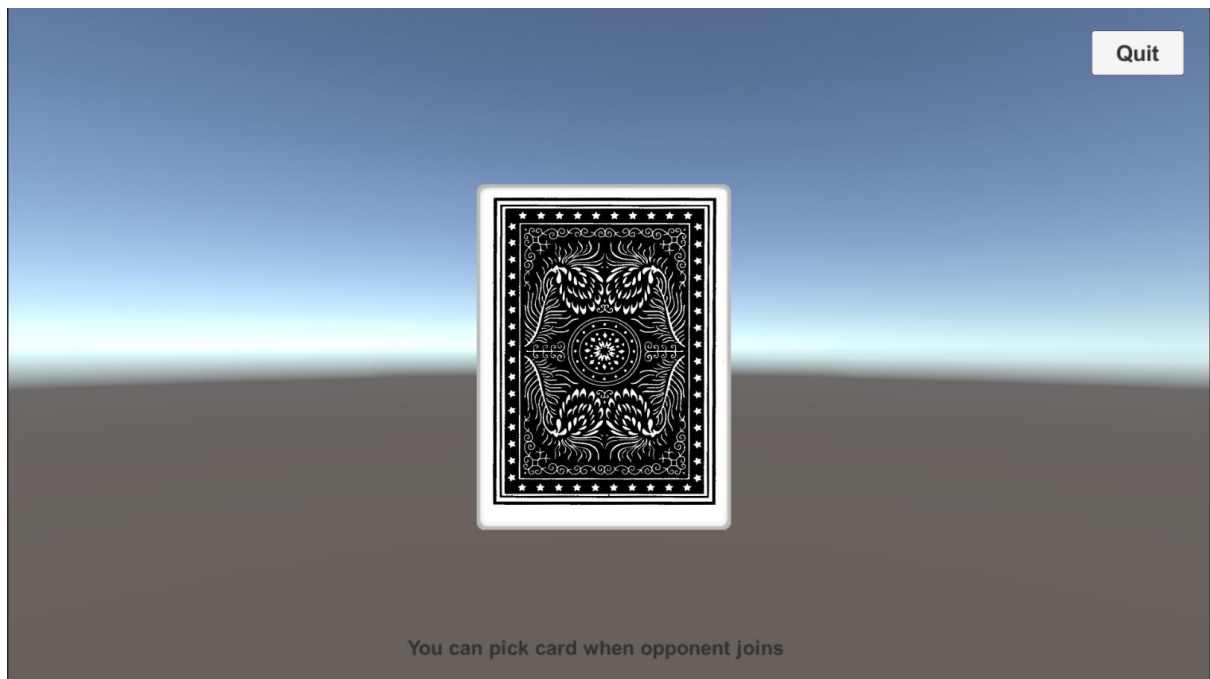

The screenshot shows a web application interface with a light blue header and a light orange footer. The main area has a light green background. In the top right corner, there is a 'Quit' button. The title 'Login' is centered at the top. Below it, the text 'Enter code from your Email , then try Login' is displayed. On the left, there are two input fields: the first contains 'vimal.tamil001' and the second contains '*****'. Below these is an 'Enter' button. On the right, there is an input field containing '176034' and a 'Sign Up' button. At the bottom center, the text 'Confirmation Success' is visible.

Game Launch Page

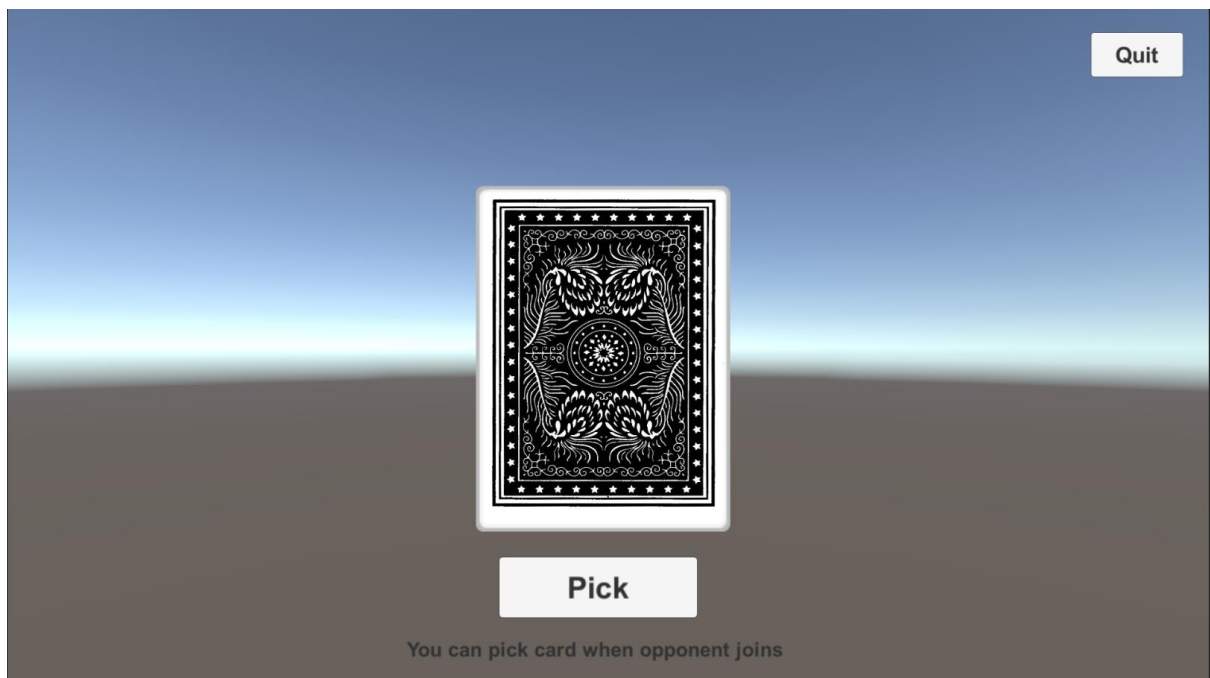

The screenshot shows a web application interface with a light blue header and a light orange footer. The main area has a light green background. In the top right corner, there is a 'Quit' button. The title 'Profile Verified' is centered at the top. Below it, there are two buttons: 'Start' and 'Log Out'. At the bottom center, the text 'Confirmation Success' is visible.

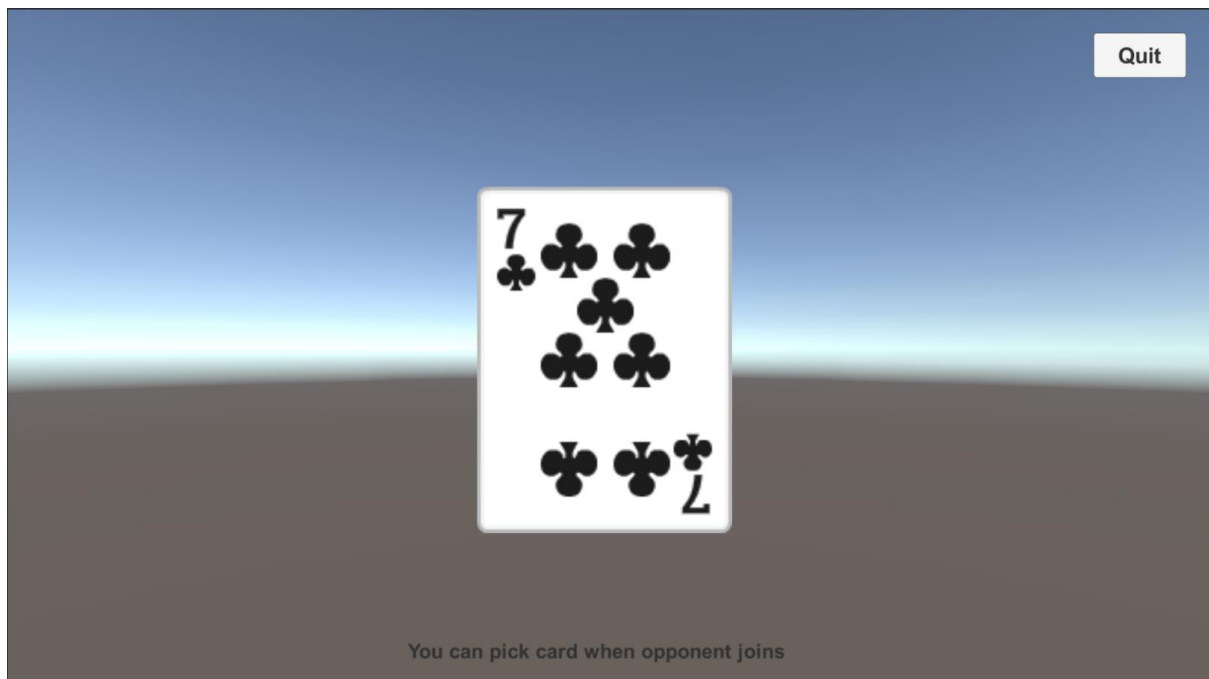

When Player 1 joins game:

When Both players join

When user picked the card

Result generated when both users picked card.

Game can be restarted multiple times.
